## **Continuing Consolidation & Mentorship Program for Geography (CCMP)**

**Medium-Online/Web based**

**Schedule-**The sessions start on 17<sup>th</sup> June and ends by mid Sept 2019.

**Who can join-** All who have a prior coverage of Geography syllabus (either through classes or self-study) and are now getting ready for Main Exam.

This is meant to support students through their course of preparation. Students will be encouraged and supported to read reference books and write answers and their progress through 3 months will be tracked (June-Sept)

➤ **Fee Rs.5800+ GST = Rs. 6844/-.**

Students will be posted with questions and suggested reference readings. Intermittently, they will be supported with discussion videos on specific topics. Students will be provided with answer guidelines and model answers too. This program focuses on getting aspirants ready for Mains, irrespective of whether they are giving their mains this year or not. The objective is to teach and familiarize students with the nuances of answer writing and keep them in touch with Geography. This will get them ready for the more intensive enrichment-cum-test series that starts from Nov 2019.

Questions will be posted (twice a week) and students will be encouraged to write to answers. They will be supported by discussions/docs through the week.

## **Mains Support Program 2019**

This programme is for those appearing for Mains 2019- An intensive module for exclusively Mains students.

**Medium-**Classroom and supported with web-based content. Remotely located students can join too and they will be posted with video recordings of the class sessions.

**Schedule-** Starts 4 days after Prelim Test 2019 result is announced.

**Who can join-** Only those who have cleared the Prelim Test 2019. (Students will need to produce valid proof of having qualified for main exam 2019.)

Teaching in this module will be qualitatively different from the regular modules. Focus will be on topics that are most likely to be asked or the most tricky ones that students may need to prepare.

➤ **Fee- Rs. 3000 + GST = Rs.3,540.**

***\*\*Those already enrolled in the Continuing Consolidation Program (CCMP) will not need to pay up again. They must provide relevant proof of having qualified for MAINS and will be automatically registered in this program***
